Congratulations to **Ed Bischoff**, who appears in the Nick's Pro Fitness testimonial in the next *Denver Life Magazine*. In his testimonial, Ed says, *"I'd seen amazing results coming out of Nick's studio over the years and I knew that when I was ready to get serious about my fitness, there was only one place to go that would guarantee my success. In under 4 months of training with Nick, I've lost 24 lbs and reduced my body fat to under 10%! These months have enhanced my life in so many ways. Nick has taught me that to change your life, you have to focus on what you can do."* We're

Thank You!

Spring is in the air. We are super excited to see our tulips and daffodils starting to come up in the garden. We are also excited to keep everyone in the loop - we have ordered the steel and flooring for the upcoming yoga/spin/weight room addition, and we are ordering lighting next week.

The plan is to see the remodel begin in May/June and be finished as soon as possible. We will do our very best to make it quick and easy. This will add 1600 square feet to the Club and give us the opportunity to offer so many more things. We will be adding a hot yoga program and a regular yoga program, spin will get its own dedicated space, and the weight room will double in size. Thank you so much for your faith and confidence in us. We genuinely appreciate your support. Thanks for telling everyone how much you love the Club - it's working! Please take a moment to say hello to someone when you see a new face. Very best wishes to you all.

- Heather and Nick
