#### **Locker Rentals**

Are you looking for a unique gift for your sweetheart for **Valentine's Day**? Your generosity will be remembered everyday when you rent a locker at Nick's Pro Fitness. Stop by the front desk and rent a locker for your sweetie today!

#### **Parking**

What a great "problem" to have, a full parking lot! Please be sure to park in our own designated spaces, and leave Kaiser employees' spaces available for them. The spaces between the Kaiser signs on the curb near the tennis courts are leased by Kaiser; let's continue to be considerate. Thank you!

#### **Hot Tub**

Most members were quite determined that the hot tub remain hot - please help us keep it that way by being careful with the **hot tub cover**. We are more than happy to open and close the cover if you need assistance. We just replaced the cover at a pretty hefty expense, and we appreciate your care with this shared resource.

Join us again for our annual **Easter egg hunt**. During the week of April 18th, look for plastic eggs hidden throughout the Club. When you find an egg, bring it to the front desk for your special surprise!

#### **Amazon Herb Co. Products**

We asked Nick about his experience with **Warrior™**, this month's featured product. Here is Nick's enthusiastic response: "*Warrior is a subtle boost of endurance, quiet endurance that sustains for long periods of exertion. The boost from these natural herbs is much more effective than the hyperactivity of synthetic supplements*".

Take Warrior before you workout and throughout the day to:

- Increase endurance and stamina
- Boost your mental focus and endurance
- Shorten your recovery time
- Support your cardiovascular health
- Produce maximum energy for maximum performance
- Enhance sexual energy

#### **Thank You!**

Thank you to all of our members for a terrific 2010. It was another great year for the Club, as well as for me and for Nick. Starting a new year with all of you makes our lives so rewarding. We have another exciting year planned for the Club, with a lot of terrific upgrades and additions. We appreciate all the wonderful kindness showered on us during the holidays - and we are passionate about bringing the Club to the next level of development. Thanks to everyone for being so friendly and sweet to our cute little puppy, Lyla. She gets so much attention, and we can tell that she absolutely loves it. Best wishes to everyone for a happy, healthy and prosperous 2011.
