Thank You!

Thanks to everyone for your warm wishes and smiling faces. We are very proud of how the remodel has progressed - and we've received a lot of positive feedback. Thank you! We can hardly remember what the Club looked like just 90 days ago. Crazy!! We now have more space for everyone, a new entryway AND a fully operational Hot Yoga Studio. We truly hope you're all happy with the growth over the past 3 1/2 years. When we arrived at the Club, we had roughly 16,000 square feet, and now we have well over 18,000 square feet of wonderful, functional space! We don't want anyone to worry about yoga - some classes will be hot and some will be just like you remember, only now they will all be in a special space allowing for greater comfort. Please know that your referrals are working - people are definitely coming to check out the Club. Thanks so much, your referrals are our best advertising.

Special thanks to John Murrow - we really appreciate you getting the job done! Please be sure to give John a pat on the back and a special thank you when you see him. He really has done an excellent job. - Heather and Nick
